**Reason for Contact:** I'd like to interview Naia!

**Your Message:** Dear Naia,

I'm reaching out because we are making an independent documentary about transgender and LGBTQIA + communities, and the challenges they can face in today's culture.

As a leading LGBTQIA+ influencer we would love to film an interview with you and hear your experience and insights. I came across your social media and as a leading voice in the community it would be great to speak with you.

We aim to educate the public by leaning into the insights of experts, professionals and the real life experiences. Particular attention will be paid to the proper use of language and gender identity terminology.

Would you be interested or available for an interview?

I am happy to send over more information or get on a phone call as well. I hope to hear from you soon.

Thank you so much for your time and consideration.

Best,  
Rebecca

Hi Naia,

Thank you for your response. Apologies as I've been traveling and out of service.

I will give you a call tomorrow morning to further discuss and go over the project and any questions. What time zone are you in?

It would be great to speak with you and film an interview. Would you mind providing the state or city that you are currently residing in so I can start working on logistics for travel for an interview?

Thank you so much for your time and consideration. I look forward to speaking with you.

Best,  
Rebecca

Hi Naia,

Apologies as I've truly been in terrible service today! I'm currently in upper state New York and will be back in the city tonight and can call tomorrow.

As requested here is a little more information on the documentary. This documentary will explore the challenges the transgender and LGBTQIA+ face in today's culture, as well as advancements in transgender care and gender/sex affirmation surgery.

We are coming from the position that as more attention is given to the transgender community, it's critical that accurate information is available to the public.

The intention is to have it air on one of the major streaming services and also make the film available to grassroots and advocacy groups.

We would be happy to travel to you or fly you out the an interview if interested. If that's possible, what is your schedule like?

I'm happy to get on a call with you to discuss everything further. Do you have availability for a call tomorrow? If so, what time preferences do you have?

Thank you again for your time and consideration.

Best,  
Rebecca

Hello. I am interested and am available for a call tomorrow. I am in pacific time zone. I would be happy to travel to you if you can pay for flight/Uber/lodging/etc. It may be difficult to film here as I am polyamorous and some of my partners do not wish to be depicted. My work schedule is generally out for two weeks, but arrangements can be made if needed.

Hi Naia,

Thank you for your patience and I've just got some further information.

Would you be available to do an interview on Friday October 1st in Austin, TX? This interview would likely be early evening depending on everyone's travel schedule.

If this works for you, we can fly you out on the morning of Friday October 1st with a return flight on Saturday October 2nd. Could you provide what city you'll be coming from as well as your preferred airport, so we can book your flights?

However, if there are no early flights available we can fly you out on Thursday September 30th. We can fly you out after work, or whatever is most convenient for you.

Would you also please sign our video release for the interview?

[REDACTED]

Please let me know if that could work on your end, and if so we'll go ahead and book your travel accommodations.

Thank you so much for your time and participation.

Best,  
Rebecca

Hi Naia,

I'm in a meeting now and wanted to let you know asap. There has been a family emergency with our crew and we need to pull the schedule up a couple of days.

We will need to do your interview in Washington DC - would that work?

However, would you be able to be interviewed on Wednesday September 29th instead?

I'm so very sorry for this change and I'm just hearing about it now - we can fly you out the night of Tuesday September 28th (after work if possible or a red eye so you don't need to miss work) and then have a return flight on Thursday September 30th.

Please let me know and we can coordinate arrangements accordingly. Thank you so very much and I apologize for the inconvenience.

I appreciate you working with us.

If not possible, please let me know and we will work on an alternative solution.

Best,  
Rebecca

This should work. However, after this point, I don't really wish to request another adjustment.

I've requested all three days to replace the other.

Hi Naia,

I'm currently in a zoom meeting, but saw your call and I'm letting the team know that we cannot change the dates again. Unfortunately there was an emergency which is why the dates shifted so quickly. However, they have been made aware and they will be sending me flight options today to pass along to you.

We appreciate your understanding. Thank you so much.

We will be in touch today with options.

Best,  
Rebecca
